On **Friday, November 2, 2018**, we will be holding our **Benefit Auction and Dinner** at the Lapeer Country Club. Approximately 200 guests are expected at this event which **will raise funds that are absolutely critical to the success of our programs**. We provide free one-to-one and small group tutoring for adults who live or work in the thumb area of Michigan and want to improve their reading, writing, math, and English-speaking skills. Last year, 308 students participated in our program and **50 of them were able to get their GED** and move on to employment, college, or job training. Our program really helps change lives. We also offer school and library partnered **tutoring programs for children** who are struggling with reading and playgroups to help prepare young children for school success.

This year's theme is "**Thanks for Giving.**" Our donation form is included in this mailing. We are seeking donations of quality items that can be included in our auction or sponsorship funds for the event.

We deeply appreciate your consideration of our request. If you have any questions about our upcoming event or our programs, please do not hesitate to contact me at (810) 664-2737 or by email at [m.wiese@readlapeer.org](mailto:m.wiese@readlapeer.org). **Thank you!**

Most sincerely,

Mary Shelton-Wiese  
Executive Director
